

Austin, Texas BICYCLE MAP

Legend

EASE OF USE

- High** (Green line): Bike lanes or wide curb lanes on higher volume streets. Some low volume residential streets.
- Moderate** (Blue line): Generally low to moderate traffic volumes; may have wide outer lane or shoulder.
- Low** (Red line): High traffic volumes, narrow lanes, or difficult connections. May function as a barrier to cyclists.

Ease of Use ratings are based on outside lane width, presence of bike lanes, traffic volume, and traffic speed.

UNRATED FACILITIES

- Local Streets**: Generally low traffic volume residential streets. Easy to ride.
- Trail/Path**: Trails may have rough surfaces. Many are recommended for off-road bikes only.
- Paved Trail/Path**: Surface suitable for all bicycles.
- Climbing Lane**: Uphill only bicycle lane.

BARRIERS TO TRAVEL BY BIKE

- Barriers** (Grey line)

ROUTE NUMBERS

- East-West Routes** (Green and Blue circles): 8, 6, 57, 55, 53
- North-South Routes** (Red and Blue circles): 7, 5, 3, 2, 1
